Casting machining products

Forging machining products

# 品质 Quality

以质量求生存，以信誉求发展，以管理求效益

Survive by quality, development by credit, and efficiency by management.

青岛香柏木机械制造有限公司（青岛以法莲国际贸易有限公司）自2002年开始营业，拥有超过15年的数控加工和焊接件生产经验，广泛应用于汽车，设备，铁路等行业。我们以优良的品质和适中的价格享有盛誉，并远销日本，德国，比利时，加拿大，美国，澳大利亚，泰国等国家和地区。

公司以“客户关注，沟通，持续改进”的3C质量方针，同时采用ERP质量管理方法进行整体产品质量控制。我们真诚欢迎您洽谈合作！

Qingdao Xiang Bai Mu Manufacturing Co.,Ltd.(Qingdao Ephraim International Trading Co., Ltd.) Started business since 2002,with more than 15 years of production experience in CNC machining and welding parts .which are widely used in automobile, equipment,railway, aerospace, marine and mining machinery, animal husbandry, electronic industry, etc. We have enjoyed great popularity for good quality and moderate price.Be exported to Japan,Germany, Belgium,Canada, America, Australia ,Tailand and so on .

Company to " customer focus, communication, continual improvement " of the quality policy of 3C, while the use of ERP quality management method for the overall product quality control. we sincerely welcome you to discuss cooperation!

# 证书 Certificates

进取，是企业和个人发展的基石，只有有了强烈的进取心，企业才能发展，个人才能进步。从而实现共同进步，使企业更具竞争力。

Making progress is the foundation stone of the development for both the enterprise and individual. Only when the enterprise or individual has enterprising spirit can they obtain development or make progress. Therefore the mutual progress can be made and the enterprise has stronger competitive force.

生产材料种类  
Material Type

碳钢、不锈钢、合金钢、铝、铜  
Carbon steel, stainless steel, alloy steel, aluminum, brass

现 主 营 产 品  
Major Products

目前已开发的产品达上千种  
Over 1000 kinds of products have been developed.
